Dear Clerk,

This comment is in response to ADM File No. 2005-11.

If ALTERNATIVE A is adopted, it appears that Canon 2G. would prohibit individuals from contributing to a judge's campaign committee, which would be in direct conflict with old Canon 7(new Canon 6B.). Although this may not have been the intent when including 2G., it specifically states that "any" contribution to a "committee" that benefits a judge. Thus, if A were adopted, one may want to put the qualifying language in Canon 2G. such as...(other than what is allowed in new Canon 6B.)

Thank you for your time,  
Judge Marc Barron
